

Christos Tsounis

Christos is a serial Entrepreneur and Investor. From a young age, he has undergone multiple times the difficulties and the pressure of entrepreneurship, participating in the early stages of several successful projects such as Yourse (the first Greek Job Search Engine) and Quizdom™ (one of the the biggest Quiz apps in the world with millions of users). Later, as the Business and Operations Director of Found.ation he gained wider understanding of the Greek Startup & Digital Innovation ecosystems.

Since 2015 Christos has been building the JNBC Group of Companies with operations including e-Commerce, Business Consulting, Royalty Management, Financial Investments and Content Creation.
